Chairs Report

Welcome back everyone.

I trust you had a nice Christmas holiday with friends and families.

As there has been a change of leadership since the AGM in October 2023, we would like to acknowledge and thank Daniel Harrison, the outgoing Chairperson and Melanie Hutton, outgoing Secretary for their hard work put into the community hub. We will continue to carry on the work and do good for the community of Glendene.

We as a board have done and intend to keep doing, we continue to support our Hub Manager Umesh to help bring the community together through meaningful change.

This meaningful change means being actively involved in the hub - join a group, run a program.

Bring your ideas and inspiration and share with our Hub Manager Umesh.

Let's make 2024 fun.

"This is a wonderful day. I have never seen this one before." Maya Angelou

It takes some community spirit to keep our hub and events running and we appreciate all of the assistance from our lovely members.
