

Another has passed us by already - Financial Year that is, as at 30 June. And what a year we have had so far, the highlight was the Matariki Celebrations on 28 June. Great turnout of the locals with kids enjoying the colouring and the Hangi was a treat.

Looking ahead to the next 6 months we have a few events planned so keep an eye out for them, especially the AGM on 17th Oct 2024. Like our Facebook page to keep up to date with what's happening at the Hub.

Looking forward to meeting you at the Hub soon.

Chairs Report

Hello everyone.

While we are in the middle of winter, I hope this message finds you in good health and high spirits. I am thrilled to share that our community has seen remarkable progress in the last quarter. Your dedication and active participation have been instrumental in keeping our hub alive and thriving.

We are committed to fostering a safe, inclusive, and supportive environment for everyone. Whether you have been with us for years or are new to our community, your presence is valued, and your voice matters. We encourage open communication, active participation, and mutual respect in all our interactions.

The strides we have made together highlight the power of unity and collaboration. The events we organised, including the Open Day in March and Matariki Night in June, were particularly popular among the community. We, as a board, truly appreciate meeting everyone who turned out at these events. Your presence is immensely valued and contributes greatly to the vibrancy of our community.

As our board continues to work together with Umesh, I leave a quote for everyone in the community.

"Hang in there, we're halfway through the year."

MATARIKI 2024

Matariki Celebrations 2024 was held on 28 June.

Blessed with good weather so a lot of the locals and some from as far as South Auckland came to celebrate Glendene style. Children enjoyed the colouring activities and the games and some took advantage of the good weather to play a bit of Touch Rugby in the yard.

Thanks to Kay Thomas and Will Flavell for sharing the knowledge about Matariki with the Community.

The Hangi dinner went down a treat so a big Thank You to Bessie Wallace for all her hard work preparing and supplying the Hangi.

THANK
YOU
